

College & Professional Class

Resource Study Packet

Song of Solomon

How to Use These Resources:

1. The “Song of Solomon” 8x5 Introduction Sheet pdg file

Each student should receive a copy of this sheet to use in class and take home for further study.

- **This will be a single sheet of paper, printed front and back, and folded into an 5x8 handout.**
-

2. The “Song of Solomon” 8x5 Scripture PDF File

This file should be printed as an 8-page booklet or foldable format, requiring two sheets of paper printed on both sides.

- **It contains the NIV passage, ensuring that all students have the same translation, which matches what the teacher will be using.**
- **Each student should sign their copy. At the end of class, collect the copies and redistribute them the following week to ensure continuity.**
- **Students may take notes on their copies if they wish.**
- **Keeping the copies in class reduces the chances of them being misplaced or forgotten before the next session.**
-

3. The “Song of Solomon” 8x11 Commentary pdf file

This copy is primarily intended for the teacher’s use.

- **The book of *Song of Solomon* should be studied verse-by-verse and explained as needed.**
- **At the end of the course, students who wish to have a personal copy of the 8x11 commentary can sign a list maintained by the teacher. This helps determine the number of copies needed while ensuring that only interested students receive one.**

**Please SIGN this sheet if you Want A Copy
of the Song of Solomon Commentary**
